UNDERSTANDING THE TERRITORY

Southern Kenya has five large cities with several major transport corridors passing through the country.

NORTH STAR ALLIANCE EAST AFRICA REGION

Run from a regional office in Nairobi, the East Africa Region connects Kenya and fellow East Africa countries to key district, national and global stakeholders and partners: donors, NGOs, government bodies, corporates, local health providers, transport groups and sex worker groups.

KENYA NATIONAL SCOPE

A network of seven Blue Box clinics in Kenya, and one on the border in Uganda, is supported by North Star's East Africa Regional office.
